QUALITY AND DEPENDABILITY YOU CAN COUNT ON

When your uptime is on the line, you need what's best, which means using high-quality parts without the high-end price. Diamond Advantage™ offers high-quality diesel engine parts for Class 2-5 vehicles, including Ford Power Stroke Diesel, GM Duramax and Dodge Ram Cummins.

FUELED BY RELIABILITY, BACKED BY **NAVISTAR**®

All Diamond Advantage parts are backed by Navistar and provide long-lasting quality and dependability. Each part is competitively priced and built on more than 100 years of Navistar experience. These parts include:

- ▶ Cylinder heads
- ▶ Filters
- ▶ ECMs
- ▶ Injectors
- ▶ EGR coolers
- ▶ Pumps (fuel, oil and water)
- ▶ Engines
- ▶ Turbos

COMPREHENSIVE SERVICE PARTS WARRANTY

Diamond Advantage offers a two-year, unlimited mileage warranty with labor coverage, so you can enjoy peace of mind.

- ▶ Includes parts and labor
- ▶ No exclusions of commercial-use vehicles

GIVE YOURSELF THE ADVANTAGE, MILE AFTER MILE.

- ▶ High-quality parts meet or exceed OE specifications
- ▶ No-risk and hassle-free core return
- ▶ One-stop shop for Ford, GM and Cummins diesel engines

Diamond Advantage™ (DA) Cylinder Heads are remanufactured to meet or exceed OE specifications to deliver optimal performance.

- Each remanufactured cylinder head undergoes a rigorous 10-phase inspection and quality process
- 100% NEW guides, valves, springs and seals
- Valve seats are vacuum tested to ensure sealing integrity
- All cylinder heads are pressure tested to ensure quality
- Remanufactured in the USA to ISO 9001 quality standards

DIAMOND
ADVANTAGE™
DIESEL PARTS

REMANUFACTURED DIESEL FUEL INJECTORS

Optimal Precision

REMANUFACTURED TO OE SPECIFICATIONS

Diamond Advantage™ (DA) Diesel Fuel Injectors provide high-quality performance to efficiently and effectively deliver fuel into your engine, allowing for optimal precision.

- Solenoid assembly is electrically tested to preemptively identify failure and prevent calibration drift
- Valve body, control pistons and valves are inspected, tested, matched and replaced as required to maximize power and efficiency
- Injector is fully disassembled to allow for OE-level cleanliness and smooth operation
- Proprietary shimming allowing for high precision and peak performance
- Nozzle assembly is comprehensively flow tested to measure flow rate, leak and seat condition to validate injection consistency
- Advanced end-of-line testing to meet OE specifications and reliable operation

DIAMOND ADVANTAGE™

DIESEL PARTS

REMANUFACTURED TURBOCHARGERS

Optimum Power Efficiency

REMANUFACTURED TO
OE SPECIFICATIONS FOR FORD,
GM AND CUMMINS APPLICATIONS

Diamond Advantage™ (DA) Remanufactured Turbochargers are designed to provide peak performance.

- Turbochargers are completely disassembled to allow for in-depth quality assurance inspections down to the component level
- Dynamic balancing performed at both the component level and at the center cartridge assembly level to ensure long-lasting durability
- All wear components are replaced with 100% new OE equivalents to ensure reliability
- Tool assembly technology ensures the correct torque is applied to the correct number of bolts and fasteners
- Key functional characteristics are gauged to ensure optimal function and performance of the turbocharger, including:

- ▶ Bearing bore
- ▶ Turbine wheel shaft diameter and surface finish
- ▶ Piston ring bore
- ▶ Compressor and turbine wheel inspection
- ▶ All sealing surfaces

GIVE YOURSELF THE ADVANTAGE,
MILE AFTER MILE.

- ▶ High-quality parts meet or exceed OE specs
- ▶ Backed by Navistar
- ▶ No-risk and hassle-free core return
- ▶ Comprehensive two-year warranty includes parts and labor
- ▶ One-stop shop for Ford Power Stroke®, GM Duramax® and Cummins diesel engines and engine components
