

HAD A WRECK?

Our Highly skilled body shop professionals use state-of-the-art equipment to restore your vehicle to pre-loss condition. No job is too big or too small!

We Specialize In:

- Paint & Body Repair
- Wheelbase modifications (lengthen and shorten, move 3rd axle)
- Frame Straightening
- Cab repair and replacement
- Aluminum box repairs
- Cargo box panel, door and floor repair
- Body swaps and wiring
- Trailer refurbishing and repairs

We also offer Specialized Truck Body & Equipment Services:

- Repair, add/remove lift gates, arms and booms
- Body conversions (flatbed to box, box to flatbed)
- Box removal & repair
- Fabrication
- DOT Inspections
- OEM, remanufactured and renewed parts
- Glass replacement
- Installation of electronics and accessories
- Collision repairs performed by ASE-certified Technicians
- Mitchell Estimating System for accurate parts identification, quick ordering and rapid repairs

WANT TO UPGRADE YOUR IMAGE?

Protect your resale value with a quality paint job. We will make your older or used vehicle look like it just rolled out of the factory!

Our Full-Service Paint & Body Shop Offers:

- Showroom quality finishes
- ASE Certified Technicians
- PPG paint products
- Color matching service
- Installation of graphics and de-imaging
- Computerized paint mixing
- Small items painted
- Paint technicians are I-Car & PPG Certified
